

## Lamacell REACH compliance

### REACH (EC Regulation 1907/2006)

The products mentioned in this document and purchased from SIDERISE are compliant with EC Regulation 1907/2006 (REACH).

REACH compliant means that all relevant substances are:

- excluded from the regulation, and/or
- exempted from registration, and/or
- have been pre-registered and/or have been registered.

### Compliance declaration

- SIDERISE Lamacell Thermal Insulation

### Substances of very high concern (SVHC)

Under REACH our products are considered as commodities that are defined by their outer form. As the manufacturer of products we are affected by the requirements of REACH Article 33 to determine Substances of Very High Concern (SVHC) and to notify customers of these.

The current status is that there are no SVHC materials in this product. In addition, our product does not contain any other substances that could be classified as particularly hazardous in their current state.
